# MONSTERS

**Nobody loves a party more than the Party Monsters!**

**A Party Monster's Tale-**

**A friendly little monster named "Party" ventures away for his village and along the way encounters some new friends who decide to follow him on some crazy & wonderful adventures!**

**They are off to find...**

**THE GREATEST PARTY EVER!**

# Introducing the Party Monsters!

**"Party" is the leader of the Party Monsters. He is always planning to put together the "Best Party Ever", but more importantly, he just loves to see his fellow Party Monsters getting together and enjoying the good times as a group!**

**"PARTY"**

# Introducing the Party Monsters!

**"SADI" is Party's "Bestie" and is hardworking & loyal. She tries to keep the mischievous "Spite" from causing trouble, which at times feels like a full-time job!**

# Introducing the Party Monsters!

**"Koosh" is a loveable goofball who likes to make others laugh at his silliness, but when it comes time to be serious and get the job done, you can always count on Koosh to come through!**

**"KOOSH"**

# Introducing the Party Monsters!

**"SPITE"** is a mischievous little imp and a bit of a troublemaker who will drive the others crazy with his tricks and practical jokes. He likes to stir up trouble just to get attention (especially from Sadi with whom he has a secret crush on) and when trouble finds him, he always looks to the rest of the gang to help him out of the jams he seems to always get into.

**"SPITE"**

# Introducing the Party Monsters!

**“Braizé” is the smartest of the group and loves to work on new inventions just to impress the gang. He is wise & insightful as he is the one the gang counts on to help get Spite out of the trouble he always causes.**

**“Braizé”**
