It should be no surprise that Koosh's favorite time of the year is the holidays, and he looks forward to dressing up like Santa to handout presents to all the good little monsters.

**"SPITE"**

**"SPITE" always seems to end up on the "Naughty" List from all the trouble and mischief he causes year around. Looks like we know who is getting a BIG lump of coal in their stocking this year.**

**“Braizé” loves this time of year  
and gets to give each of his  
friends the PERFECT gift (which  
he makes in his own little  
workshop!)**
